Limited Warranty

SYNTHEON Inc. warrants that its products shall be free from defects in materials and workmanship at the time of shipment and are manufactured in accordance with company standards.

SYNTHEON Inc. (the "Company") hereby disclaims any and all other express or implied warranties, including, but not limited to, warranties of merchantability or fitness for a particular purpose with respect to the Company's goods, equipment and/or services (collectively referred to as the "Products"). Without limiting the generality of the foregoing, all other warranties of the Company, expressed or implied, including such warranties appearing in any marketing materials, and all representations, guarantees, instructions, promises, descriptions and samples from the Company pertaining to quality of the Products, condition, characteristics, performance or other matters, and all warranties of the Company with respect to any patent infringement involving the Products are hereby expressly disclaimed and excluded. In addition, the Company specifically, and not by way of limitation, does not warrant the accuracy or sufficiency of any advice or recommendations given to customer in connection with the sale of the Products. This warranty disclaimer does not extend to defects in goods or equipment not manufactured by the Company. With respect to those goods or equipment not manufactured by the Company for which a separate manufacturer's warranty is provided, customer shall accept such manufacturer's warranty and, to the extent assignable, the Company hereby passes through and otherwise assigns all such third-party warranties.
